7.2. The Company's share capital amounts to HUF **102,428,682,578** i.e. **one hundred and two billion four hundred and twenty eight million six hundred and eighty two thousand five hundred seventy eight** forint, represented by

a) **102,428,103** pieces registered ordinary shares of the series "A" with a par value of HUF 1,000 each, and 578 pieces of registered ordinary shares of the series "C" with a par value of HUF 1,001 each, issued at a price of HUF 6,000 each, in exchange for in kind contribution and providing identical rights to the holders of such shares, and

b) one (1) piece registered voting preference share of the series "B" with a par value of HUF 1,000 that entitles the holder thereof to preferential rights as specified in the present Articles of Association.

8. SHARES AND SHARE REGISTER

8.1. The shares shall be produced in dematerialised form.

8.2. The Board of Directors of the Company shall keep a share register, by share categories of the holders, of registered shares and general proxies, indicating the name (corporate name), address (seat), shareholding ratio of such shareholders or shareholders' proxies and indicating the series, number, and par value of the shares, as well as the date of registration, and in events specified under Article 8.6 the composition of the shareholder group to which the shareholder belongs in accordance with Article 10.1.1 and 10.1.2, and any other data that may be required to meet the requirements specified by law or these Articles of Association. The Board of Directors is entitled to commission a third person to keep the share register.

- 8.3. Shareholders' proxies may exercise the shareholders' rights only in respect of the shares registered on the security account kept with such shareholders' proxy, or in respect of the registered shares deposited at such proxy. The depository appointed by the Company issuing certificates of deposit on the Company's shares under foreign law abroad (See Article 10.1.1.) shall be registered in the share register as shareholders' proxy (nominee), if such depository requests so and if it provides for a power of attorney in compliance with the law applicable for the issuance of certificates of deposit and the deposit agreement. Any other registration into the share register shall only be made if the shareholder's proxy has deposited one copy of the letter of proxy, prepared as a public document or as a private document with full probative power, at the Company. Such letter of proxy shall unambiguously state the fact that the shareholder, issuing the letter of proxy is not subject to any limitation specified under Articles 10.1.1 and 10.1.2 of these Articles of Association, in the absence of that the registration into the share register may be refused.
- 8.4. The Board of Directors shall refuse the registration of any shareholder into the share register, if such shareholder fails to comply with the requirements specified by these Articles of Association.
- 8.5. Anyone may have access to the share register. Anyone concerning whom the share register contains current or deleted data may request a copy of the section which pertains to him or her from the Board of Directors or its delegate.
- 8.6. Each shareholder - at the shareholder's identification related to the closing of the share registry prior to the next general meeting - shall declare whether he, or he and any other shareholder belonging to the same shareholder group as specified in Articles 10.1.1 and 10.1.2 holds at least 2% of the Company's shares, together with the shares regarding which he asks for registration. In the event the conditions described in the previous sentence are met, the shareholder shall simultaneously report the composition of the shareholders' group in accordance with the provisions specified in Articles 10.1.1 and 10.1.2. In case the shareholder fails to comply with or performs incorrectly the obligation on reporting the composition of the shareholder group defined in the previous sentence, or in case there is a reasonable ground to assume that a shareholder made false representation regarding the composition of the shareholders' group, its voting right shall be suspended (and any time further on as well) and the shareholder shall be prevented from exercising it until full compliance with said requirements. Further, the shareholder shall, for the request of the Board of Directors, immediately identify the ultimate beneficial owner with respect to the shares owned by such shareholder. In case the shareholder fails to comply with the above request or in case there is a reasonable ground to assume that a shareholder made false representation to the Board of Directors, the shareholder's voting right shall be suspended and shall be prevented from exercising it until full compliance with said requirements. The compliance with the declaring and reporting obligations defined in this Article does not affect the reporting and announcing obligations of the shareholders under the legal regulations applicable to the acquisition of influence.

- 8.7. The Company shall regard and treat depositories, commissioned by the Company, issuing certificates of deposit on the Company's shares under foreign law abroad (See Article 10.1.1.), according to the registration in the share register, as shareholders' proxies (nominees) or as shareholders, subject to the condition that such depositories shall cause the holders of certificates of deposit to comply with the provisions of the present Articles of Association applicable to shareholders.

- 10.1.1. All relevant restrictions specified in these Articles of Association applicable to shareholders shall be appropriately applied to the holders of certificates of deposit issued on the Company's shares abroad on behalf of the Company.

- 10.1.2. The definition "shareholder group" with respect to a shareholder shall mean such shareholder and:

In the event any shareholders' group, as defined above, holds more than 10% of the voting rights, the total voting rights of the shareholders' group shall be reduced to 10% by disregarding the voting rights of the shares (or the relevant portion of those) most recently acquired by the shareholder group.

Each shareholder shall inform the Board of Directors if he, or he and another shareholder belonging to the same shareholder group as defined in Articles 10.1.1 and 10.1.2 together hold a number of shares exceeding 10% of the shares with voting rights of the Company, in which case the Company shall register into the share register that, as specified in Articles 10.1.1 and 10.1.2 no voting rights may be exercised by the relevant shareholder with respect to the shares in excess of 10% of the shares or voting rights of the Company.

If the shareholder fails to notify or accurately notify the Company pursuant to the provisions here above, he will be obliged to reimburse all damages and costs incurred as a consequence of exercising voting rights in excess of the 10% limitation by the shareholder or the shareholders' group to which the shareholder belongs.

- 10.3. In the event any shareholders' group, as defined above, holds more than 10% of the voting rights, the total voting rights of the shareholders' group shall be reduced to 10% by disregarding the voting rights of the shares (or the relevant portion of those) most recently acquired by the shareholder group.
- 10.4. The "yes" vote of the holder of "B" series of share is required for decisions at the general meeting on issues enlisted in Article 12.4. In all other matters, in accordance with the nominal value of the "B" series share, such share entitles its holder for one vote.

a.) Unless otherwise provided by law, the general meeting shall be competent to decide on the reduction of share capital.

The share capital may be increased by:

- the issuance of new shares;
- the transfer of funds from the equity capital in excess of share capital;
- issuance of employee shares;
- conditional increase of share capital, through the issuance of convertible or equity bonds.

The general meeting's resolution on the increase of share capital shall be considered valid if the holders of each affected types or classes of shares separately grant their explicit consent to the increase of the share capital in the manner specified in the Article 12.10 of the Articles of Association. In respect of the explicit consent those shareholders shall be considered affected who hold the same types or series of shares to be issued, furthermore the shareholders whose rights attached to any series of shares (in particular, but not limited to the voting rights, eligibility for dividends) change disadvantageously by the increase of share capital.

Shareholders and bond-owners may exercise their preference right by sending a declaration in the manner, within the time and to the address as specified in the public announcement. The Board of Directors shall specify the period (at least 15 days), during which the preference right may be exercised. The validity of the declaration is subject to the performance of the payment obligation included therein by the shareholder or bond-owner in due time. If the shareholder or bond-owner does not submit a declaration within the time specified in the public announcement on the exercise of his/her preference right, he/she shall be deemed not to exercise his/her preference right. Unless the resolution of the general meeting prescribes otherwise, preference right shall be granted – in this sequence – first to shareholders of the Company (within that first to the holders of shares belonging to the same series of issue) and then to the holders of convertible bonds and in the same order of rank to the holders of bonds with subscription right. Unless otherwise provided for in the decision of the general meeting, if shareholders or bond-owners with the same preference right intend to subscribe or take over more shares than shares to be issued within the course of the capital increase, they can exercise their preference right in the proportion of the par value of their shares or bonds.

The general meeting may exclude the preference right pertaining to subscribe or take over shares based on the written proposal of Board of Directors. The general meeting shall discuss the proposal on exclusion of the preference right together with the proposal pertaining to the capital increase but it shall render separate decisions on them. In addition to the content required by law the proposal on exclusion of the preference right shall also contain the reason of the capital increase, in case of private placement the introductions of persons entitled to take over the shares, and the modification of the voting ratio of the existing shareholders as a result of the capital increase.

d.) Based on the authorization granted in the Articles of Association the Board of Directors is entitled to increase the share capital until 23 April 2019 in one or more installments by not more than HUF 30,000,000,000 (i.e. Thirty billion forints) in any form and method provided by the Civil Code and resolve the amendment of the Articles of Association in connection thereof.
