

Extraordinary announcement

Change in the Executive Management of Gedeon Richter Plc.

The Company notifies its shareholders that on January 2, 2019 Mr. András Radó, appointed deputy managing director responsible for Production and Logistics, has retired and in the future he takes part in the Company's day-to-day operation as expert advisor. Until the appointment of the new director Mr. Gábor Orbán Chief Executive Officer will supervise the area of Production and Logistics.
