

# Amendment of the Manual of Hungarian Indices

BSE Release - Budapest, June 6, 2019

The Board of Directors of the Budapest Stock Exchange Ltd. – based on the proposal of the Index Committee of BSE – decided on amending the Manual of Hungarian Indices by Resolution No. 28/2019.

The amendment affects the review criteria of BUX index. According to the new rules effective from July 1, 2019 at BUX index reviews – next to be applied in September 2019 – the inclusion will be examined based on 4 criteria (instead of 5), “Ratio of number of days traded” criterion will be deleted.

By default, at least 3 criteria will still be required to be included in the BUX index.
