

Extraordinary Notice of 4iG Plc.
on the announcement of its high-volume winning offer

4iG Public Limited Company (registered seat: 8 Montevideo Street HU-1037 Budapest, company registration number: 01 10 044993, hereinafter: the “**4iG Plc.**”), hereby informs its Esteemed Investors as well as the participants of the financial and capital market that the offer of 4iG Plc. has been announced as winning offer in the reopened centralized tendering procedure in the subject of “*Account Management System development, implementation, parameterization service procurement*” of the **Hungarian State Treasury** (hereinafter: the “**Treasury**”), the contracting moratorium of which expires on the 11th of February, 2020.

The total value of the procedure is HUF 3,469,838,990 + VAT,

Within the framework of the project the Hungarian State Treasury replaces its account management system, has been in service since 1997. The development will take place in two steps resulting in the implementation of a banking account management system operating on the basis of a multicurrency, up-to-date technology, which will enable the 24/7/360, i.e. day and night account and balance management.

In the course of the mandate, 4iG will be responsible for the development of the front-end application supporting the client-staff member relationship, as well as the development and commissioning of Payment Switch application supporting the internal specialized system and external international- and domestic payment relationships. As a result of this, the Hungarian State Treasury will be able to react efficiently to the requirements for payment services, as well as to customer needs.
