

Results of Equities classification review

BSE Release - Budapest, September 29, 2020

The Budapest Stock Exchange Ltd. (hereinafter referred to as 'Exchange'), in accordance with the relevant sections of the Book Two of the General Terms of Service of the Budapest Stock Exchange Ltd. titled Regulations on Listing and Continued Trading (hereinafter referred to as 'Regulations'), **has reviewed the share series listed on the Equities Prime and Standard Market.**

As a results of the revision, there is no change in the classification of issuers at the Exchange.

The Exchange performed the review according to the principles set in the Regulations, on the basis of the average capitalization **between March 1, 2020 and August 31, 2020** and free float figures on the last Exchange Day of the review period.

If a particular series of securities is listed in the relevant, **Equities Prime** or **Standard Market**, for less than 2 years and fails to fulfil the terms hereof during two consecutive review cycles, or a particular series of securities is listed in the relevant, **Equities Prime** or **Standard Market**, for more than 2 years and fails to fulfil the terms hereof during three consecutive review cycles, the Exchange will automatically reclassify the series into that Equities Market of which conditions the given equities series in compliance with and will at the same time make arrangements to set the date when reclassification takes effect.

The results of the review of the Equities Prime are as follows:

Equities	New market classification	Results of the previous market classification reviews		Indicators				Result of the current market classification on review
