

## **SZABOLCS MAKAI**

From 30 November 2021, he is the head of the food division of OPUS GLOBAL Plc., and also he is the co-managing director of Kall Ingredients Kft., a subsidiary of the listed company. Szabolcs Makai graduated as an agricultural engineer and marketing specialist. For two decades, he held various senior positions at the US multinational company Cargill. Initially he managed the animal feed business, then the Hungarian and Slovakian business of the cereals, oilseeds and inputs division.

He was a member of Cargill's global strategy team in Minneapolis, and since 2017 he has worked in European management as Commercial Director and CEO-Chairman of Cargill Hungary Zrt. In 2019, he joined Talentis Agro Zrt. as CEO, which he has managed ever since.

Szabolcs Makai was also elected to the MATE Rector's Advisory Board in November.
