

**Other Announcement of 4iG PLC**  
about joint venture company establishment

**4iG Public Limited Company** (hereinafter: “4iG”) hereby informs its Esteemed Investors and the Participants of the Capital and Financial Markets that 4iG and Rheinmetall AG (hereinafter: “Rheinmetall”) established an information technology joint venture company in Hungary, which has been registered at the Metropolitan Court of Registration under the name of Rheinmetall 4iG Digital Services Limited Liability Company on December 6, 2022.

4iG is the majority shareholder having 51% ownership and Rheinmetall has 49% ownership.

The JV provides project and operational IT services to Rheinmetall's global subsidiaries in Hungary and worldwide. Based on business requirements and opportunities, the new joint venture plans to progressively expand the scope of its services for internal and external customers alike.

Budapest, December 7th, 2022.
