

## Independent Auditors' Report

### This is a translation of the Hungarian Report

To the Shareholders of ANY Security Printing Company Public Limited Company by Shares

### Report on the audit of the annual financial statements

#### Opinion

We have audited the 2022 annual financial statements of ANY Security Printing Company Public Limited Company by Shares (“the Company”) included in the accompanying 9e635244-fe79-4ab6-9c5d-05ebfc91a177.xhtml (XHTML)<sup>1</sup> digital file, which comprise the balance sheet as at 31 December 2022 - showing a balance sheet total of HUF 29,764,737 thousand and a total comprehensive income for the year of HUF 2,472,209 thousand -, the related comprehensive profit and loss account, statement of changes in equity, statement of cash flows for the year then ended and notes to the annual financial statements, including a summary of significant accounting policies.

In our opinion, the annual financial statements give a true and fair view of the annual financial position of the Company as at 31 December 2022 and of its annual financial performance and its cash flows for the annual financial year then ended in accordance with International Financial Reporting Standards as adopted by the EU (“EU IFRSs”) and have been prepared, in all materials respects, in accordance with the supplementary requirements of Act C of 2000 on Accounting (“Hungarian Accounting Law”) relevant for annual financial statements prepared in accordance with EU IFRSs.

#### Basis for opinion

We conducted our audit in accordance with Hungarian National Auditing Standards and with applicable laws and regulations in Hungary, including also Regulation (EU) No. 537/2014 of the European Parliament and of the Council of 16 April 2014 on specific requirements regarding

---

<sup>1</sup> Digital identification of the above 9e635244-fe79-4ab6-9c5d-05ebfc91a177.xhtml financial statements using SHA 256 HASH algorithm is:  
3B7E791EB6B0947BEA9AAA746F2A00E4A470F89F83B76FAEFC7BBE73856764D6

statutory audit of public-interest entities (“Regulation (EU) No. 537/2014”). Our responsibilities under those standards are further described in the “Auditor’s responsibilities for the audit of the annual financial statements” section of our report.

We are independent of the Company in accordance with the applicable ethical requirements according to relevant laws in effect in Hungary and the policy of the Chamber of Hungarian Auditors on the ethical rules and disciplinary proceedings and, concerning matters not regulated by any of these, with the International Ethics Standards Board of Accountants’ (IESBA) International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key audit matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the annual financial statements of the current period. These matters were addressed in the context of our audit of the annual financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the “Auditor’s responsibilities for the audit of the annual financial statements section” of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the annual financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying annual financial statements.

## Valuation of Investments

The Company's investments in affiliated companies represent HUF 1,747,819 thousands as of 31 December 2022, which is approximately 6% of total assets. Valuation of investments in affiliated companies is a significant judgmental area which is largely dependent on estimations such as discount or growth rate. Management annually assesses if the investments are impaired in accordance with EU IFRSs. This is a key audit matter as investments in affiliates represent a significant share in total assets and also require significant judgement to determine if the investments are recoverable.

Our audit procedures included, among others, involving specialists who assisted us in evaluating assumptions and methodologies used by the Company to assess whether investments in affiliated companies are impaired. We evaluated the Company's assessment of any triggering events and assessed the accuracy of key inputs used in the model. We reconciled the model to the approved business plan of the subsidiaries and assessed historical accuracy of management's estimates. With the involvement of specialists, we assessed the compliance of the valuation method with EU IFRSs and the consistency of application compared to the prior year. We assessed the adequacy of the Company's disclosures about investments in affiliated companies in accordance with EU IFRSs including the information how the impairment is evaluated by the Company.

The Company's accounting policy and disclosures about its investments in affiliated companies and related impairment are included in Notes 2 Significant accounting policies - Investments and Notes 9 Investments to the annual financial statements.

## Other information

Other information consists of the 2022 business report of the Company. Management is responsible for the preparation of the business report in accordance with the Hungarian Accounting Law and other relevant legal requirements, if any. Our opinion on the annual financial statements does not cover the business report.

In connection with our audit of the annual financial statements, our responsibility is to read the business report and, in doing so, consider whether 1) the business report is materially inconsistent with the annual financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated and 2) the business report has been prepared in accordance with the Hungarian Accounting Law and other relevant legal requirements, if any.

Our opinion on the business report should include the information required according to Subsection (2) e) and f) of Section 95/B of the Hungarian Accounting Law and we are required to confirm also whether the information prescribed in Subsection (2) a)-d) and g)-h) of Section 95/B of the Hungarian Accounting Law have been made available and whether the business report includes the non-financial statement as required by Section 95/C of the Hungarian Accounting Law.

When fulfilling this responsibility, we have considered the following law: Commission Delegated Regulation (EU) 2019/815 of 17 December 2018 on Supplementing Directive 2004/109/EC of the European Parliament and of the Council with regard to regulatory technical standards on the specification of a single electronic reporting format (“ESEF Regulation”), as such prescribing specific requirements for the business report, in relation with forming our opinion on the business report.

In our opinion, the business report of the Company, including the information required according to Subsection (2) e) and f) of Section 95/B of the Hungarian Accounting Law for 2022 is consistent, in all material respects, with the 2022 annual financial statements of the Company and the relevant requirements of the Hungarian Accounting Law and the other law listed above.

We also confirm that the Company have made available the information required according to Subsection (2) a)-d) and g)-h) of Section 95/B of the Hungarian Accounting Law and that the business report includes the non-financial statement as required by Section 95/C of the Hungarian Accounting Law.

Further to the above, based on the knowledge we have obtained about the Company and its environment in the course of the audit we are required to report whether we have identified any material misstatement in the business report, and if so, the nature of the misstatement in question. We have nothing to report in this regard.

## **Responsibilities of management and those charged with governance for the financial statements**

Management is responsible for the preparation and fair presentation of the annual financial statements in accordance with EU IFRSs and for the preparation in accordance with the supplementary requirements of the Hungarian Accounting Law relevant for financial statements prepared in accordance with EU IFRSs, and for such internal control as management determines is necessary to enable the preparation of annual financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the annual financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

## **Auditor's responsibilities for the audit of the annual financial statements**

Our objectives are to obtain reasonable assurance about whether the annual financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Hungarian National Auditing Standards and with applicable laws and regulations in Hungary, including also Regulation (EU) No. 537/2014 will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements.

As part of an audit in accordance with Hungarian National Auditing Standards and with applicable laws and regulations in Hungary, including also Regulation (EU) No. 537/2014, we exercise professional judgement and maintain professional scepticism throughout the audit.

We also:

- ▶ Identify and assess the risks of material misstatement of the annual financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ▶ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and content of the annual financial statements, including the disclosures, and whether the annual financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters.

## Report on other legal and regulatory requirements

### Report on compliance with the requirements of the regulation on the european single electronic format

We have undertaken a reasonable assurance engagement on the compliance of the annual financial statements included in the digital file - identified in our report - prepared by the Company (“financial statements in ESEF format”) with the requirements set out in the ESEF Regulation.

#### Responsibilities of the management and those charged with governance for the annual financial statements in ESEF format

The Company’s management is responsible for preparing the annual financial statements in ESEF format that comply with the ESEF Regulation. This responsibility includes:

- the preparation of the annual financial statements in the applicable XHTML format; and
- the design, implementation and maintenance of internal control relevant to the application of the ESEF Regulation.

Those charged with governance are responsible for overseeing the Company’s financial reporting process including compliance with the ESEF Regulation.

#### Our responsibility and summary of the work performed

Our responsibility is to express an opinion on whether the annual financial statements in ESEF format complies, in all material respects, with the requirements of the ESEF Regulation based on the evidence we have obtained. We conducted our reasonable assurance engagement in accordance with Hungarian National Standard on Assurance Engagements 3000 (Revised), Assurance Engagements Other than Audits or Reviews of Historical Financial Information (ISAE 3000).

A reasonable assurance engagement in accordance with ISAE 3000 involves performing procedures to obtain evidence about compliance with the ESEF Regulation. The nature, timing and extent of procedures selected depend on the auditor’s judgment, including the assessment of the risks of material departures from the requirements set out in the ESEF Regulation, whether due to fraud or error. Our reasonable assurance engagement included obtaining an understanding of the Company’s internal controls relevant to the application of the requirements of the ESEF Regulation and verifying whether the XHTML format was applied properly.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Opinion**

In our opinion, the annual financial statements in ESEF format of the Company for the year ended 31 December 2022 included in the digital files - identified in our report - complies, in all material respects, with the requirements of the ESEF Regulation.

Reporting requirements on content of auditor's report in compliance with Regulation (EU) No. 537/2014:

## **Appointment and Approval of Auditor**

We were appointed as the statutory auditor of the Company by the Board of Directors on behalf of the General Assembly of the Shareholder of the Company on 12 April 2022. Total uninterrupted engagement period, including previous renewals (extension of the period for which we were originally appointed) and reappointments for the statutory auditor, has lasted for 6 (six) years.

## **Consistency with Additional Report to Audit Committee**

Our audit opinion on the annual financial statements expressed herein is consistent with the additional report to the audit committee of the Company, which we issued in accordance with Article 11 of the Regulation (EU) No. 537/2014 on 21 March 2023.

## **Non-audit Services**

We declare that no prohibited non-audit services referred to in Article 5(1) of Regulation (EU) No. 537/2014 were provided by us to the Company and its controlled undertakings and we remained independent from the Company in conducting the audit.

In addition to statutory audit services and services disclosed in the business report and in the annual financial statements, no other services were provided by us to the Company and its controlled undertakings.

The engagement partner on the audit resulting in this independent auditor's report is Bartha Zsuzsanna Éva.
