[Condition of exercising the voting right pursuant to the Company's Articles of Association:](#)

The conditions of exercising the shareholders' rights to participate in and vote at the General Assembly are governed by Articles VI.7 and VIII.9 of the Articles of Association of the Company. As a condition of exercising the voting right at the General Assembly, the name of the shareholder shall be registered in the book of shares on the fifth business day before the starting date of the general assembly (reconvened general assembly), i.e., the shareholder's (nominee's) name shall be registered in the book of shares on the record date of the identification procedure (pursuant to Article VI.7 of the Articles of Association) on the basis of the identification procedure initiated by the Company for **9 June 2023**. The Board of Directors will provide the shareholders with voting ballots, which will attest the number of votes that the shareholder has based on the number of his/her shares and evidence the shareholder's right to participate in the General Assembly.

Pursuant to Article VI.7 of the Articles of Association, the name of the shareholder shall be registered in the book of shares by the keeper of the book of shares no later than 18 o'clock on the second business day prior to the date of the general assembly based on the results of the shareholder identification procedure (if such identification procedure pertains to the closure of the book of shares prior to the general assembly (reconvened general assembly)). After this date, the Shareholder cannot register its

shareholdings until the first business day after the end of the general assembly (reconvened or not quorate general assembly). Only those shareholders and nominees can attend the general assembly who were registered in the book of shares no later than by 18 o'clock on the second business day prior to the date of the general assembly. Only those can exercise shareholder's rights at the general assembly whose name was registered in the book of shares (at the time of its closure). Transferring the shares prior to the date of the general assembly shall not exclude the rights of the person registered in the book of shares to participate in and exercise shareholder's rights at the general assembly. A shareholder is entitled to exercise shareholder's rights vis-à-vis the Company only if he/she has been registered in the book of shares. No ownership certificate is required to exercise shareholder's rights if such rights have been verified by a shareholder identification procedure.

Information on the reconvened general assembly in case the quorum is not met:

The General Assembly shall be quorate if the convocation was proper and shareholders representing at least 30% of the total votes attached to the Company's voting shares are present. In case the General Assembly is not quorate, the reconvened General Assembly shall be quorate – only in relation to the matters on the original agenda announced – if shareholders representing at least 10% of the total votes attached to the Company's voting shares are present. Place of the reconvened general assembly: **Uniqा Head Office, Vital Bistro; H-1134 Budapest, Róbert Károly körút 70-74., ground floor**. Time and date of the reconvened general assembly: **16:00 o'clock on 20 June 2023** (CET). The registration of shareholders starts at 15:30 o'clock.

Information on the right of requesting information on the agenda and on the right of supplementing the agenda:

Upon written request of any shareholder submitted at least 8 days before the date of the General Assembly, the Board of Directors shall provide the necessary information in connection with the matters on the agenda of the General Assembly, at least 3 days before the date of the General Assembly. The Board of Directors may refuse the provision of information only if – according to its view - the provision of information is violating the Company's business secret, except if it is obliged for the provision of information by the resolution of the general assembly. In the course of exercising the right of requesting information, the shareholders shall be entitled to inspect the Company's books and other business records to the extent allowed by the Board of Directors. The provision of information not including business secret shall be not restricted. The shareholders shall have confidentiality obligation in relation to the Company's business secrets and shall indemnify the Company for the damages arising from the violation of such obligation, pursuant to the provisions of Section 6:519 of the Civil Code.

In case a group of shareholders representing together at least 1% of the votes in the Company proposes certain supplement to the agenda or provide draft resolution in connection with an item included or to be included on the agenda, the Board of Directors shall publish a notice on the supplemented agenda and the draft resolutions after the proposal was delivered to it, provided, that such written proposal is delivered to the Company's registered office, addressed to the Board of Directors within eight days following the date of publication of the notice on the convocation of the General Assembly. The matter indicated in the notice shall be construed to have been placed to the agenda.
