

**Extraordinary Announcement of 4iG PLC**  
on establishing a drone defence technology company

4iG Public Limited Company ("**4iG**") hereby informs the participants of the capital market that today an application for registration has been filed with the Court of Registration of the Metropolitan Court, under which 4iG, Rotors & Cams Trading and Services Private Limited Company (registered seat: HU-2112 Veresegyház, Rét utca 22.; company registration number: 13-10-042027; VAT number: 27326833-2-13; hereinafter referred to as "**Rotors & Cams**"), member of the 4iG Group and iG TECH Private Equity Fund (registered seat: HU-1037 Budapest, Montevideó utca 8. ,registration authority: Hungarian National Bank ("**MNB**"); MNB registration number: 6122-89; VAT number: 19166971-1-41; fund manager: iKON Investment Fund Management Ltd (registered seat: HU-1013 Budapest, Krisztina körút 39.; company registration number: 01-10-140332; VAT number: 26756392-2-41); hereinafter referred to as "**iG TECH**") is establishing a drone defence technology company under the name of RAC Antidrone Ltd.

25-25 percent of RAC Antidrone Ltd. is owned by 4iG and iG TECH and 50 percent is owned by Rotors & Cams.

The development of UAV technologies and the implementation and introduction of new technologies has strategic importance within the 4iG Group, therefore László Blénessy, Deputy Chief Technology Officer will supervise the operations of RAC Antidrone Ltd., while Kornél Szepessy will be responsible for the day-to-day operation of the company.

RAC Antidrone Ltd. will offer airspace surveillance and defence solutions against autonomous flight devices for the industrial, transport, defence and civil sectors. The new company will integrate the most advanced technologies available, with unique developments based on the domestic knowledge and specific innovation activities to enter the domestic and international markets.

Budapest, 02 October 2023.
