

Extraordinary announcement

ANY Security Printing Company PLC meeting the rules set in point 1.28 of Supplement 4 of No. 24/2008 (15th August) Decree of the Financial Ministry on laying down detailed rules on disclosure obligations in respect of securities offered to the public hereby publishes the decision dated as at 3rd July 2004 number H-PJ-III-B-7/2024 of the Hungarian National Bank (hereinafter: MNB) as follows:

- I. The MNB orders the Issuer to pay a supervisory fine of HUF 5,500,000, i.e. five million five hundred thousand forints, for violating the legal provisions of the EU Market Abuse Regulation on the immediate public disclosure of insider information.
- II. The MNB prohibits the Issuer from repeatedly violating the legal provisions of the EU Market Abuse Regulation on the immediate public disclosure of insider information.

In the third and fourth quarter of 2022, ANY Plc. considered that it did not have sufficient and sufficiently specific information and published the information – which it otherwise classified as insider in accordance with the law and treated as such in its interpretation – with a delay of 18 days. The MNB concluded that the fact of non-immediate disclosure should have been reported to the MNB as a delay. The Printing Company was fined for failing to do so.

ANY Security Printing Company Plc. will make every effort to apply its practice of delaying insider information to the maximum in accordance with the provisions of the MAR Regulation (Regulation (EU) No 596/2014).
