

Extraordinary Announcement of 4iG Plc. on implementing a Transformation Program

4iG Public Limited Company ("4iG") hereby informs the participants of the capital market that the Transformation Programme ("Programme") launched on 13 November 2023 has reached its next significant milestone with the decision of the shareholders of Vodafone Hungary Ltd. (in Hungarian: Vodafone Magyarország Zrt.) to separate Vodafone Hungary Ltd. by way of a demerger.

At this stage of the Programme, the infrastructure units of Vodafone Hungary Ltd. will be demerged, leaving the commercial and infrastructure divisions to operate in separate companies. The commercial company will operate under the name ONE Hungary Ltd. (in Hungarian: ONE Magyarország Zártkörűen Működő Részvénytársaság), while the infrastructure company will operate under the name V-Hálózat Távközlési Zártkörűen Működő Részvénytársaság. The demerge date has been set by the shareholders as 31 December 2024, with the first day of operation under the new structure being 1 January 2025.

4iG will continue to keep investors informed about the Programme and its implementation status, in line with its previous practice.
